

Capstone Progress Report

Michelle Waldron

- My Capstone project is in Canvas and has been shared with my teammates as well as Dr. Lara, Dr. Su, and Dr. Fischer.
- There is no link I can provide to share my Canvas course.
- There is one captivate lesson embedded in Canvas at this point. The 2nd and 3rd Captivate lessons need audio and conversion to SCORM to embed in Canvas.

Issues/challenges

- None

What's next

- The audio recordings for both outstanding captivate projects will be completed by October 24 and both projects will be embedded into the course.

Reviewer questions

- Are the modules easy to follow?
