IST541 Final Project Outline
Michelle Waldron

Project Title: Traveling in the Post-Pandemic World

Objectives: A website that provides general information and guidance to people interested in traveling.

1. Using this website as a guide prospective travelers will be able to recognize travel resources with 100% accuracy.

2. Using the packing tips on this website travelers will be able to recall packing needs with 80% accuracy.

3. Using the travel basics page of this website travelers will be able to summarize how to book a trip easily online with 100% accuracy.

Navigation: The table below outlines the navigation to each page which provides further information on content, media, and interactions.

Home	Travel Basics	Tips	How to Pack	Travel Itinerary	Creative Travel

Home: index.html

Content	Introduces travelers to resources and provides an introduction to traveling.
Media	YouTube video
Interaction	Embedded content using iFrame

Travel Basics: page2.html

Content	Provides information on how to plan and organize a trip abroad. Things to consider, obstacles, insurance, locations, and activities.

Media	Images of travel preparation
Interaction	<details> element (collapsible sections) hyperlinks

Tips: page3.html

Content	Travel tips for the novice and experienced traveler. What are our common or shared experiences of travel? What are the best and worst experiences?
Media	Custom graphic and associated YouTube video
Interaction	JQuery hover element

How to Pack: page4.html

Content	Packing for any trip - overnight, weekend, or long haul. What do you need to take on your journey and what can be left behind?
Media	Images of packing for travel
Interaction	<details> element (collapsible sections) and hyperlinks

Travel Itinerary: page5.html

Content	Developing an enjoyable travel itinerary - A holiday no matter how long or short should be enjoyable and allow travelers to relax. A jam-packed itinerary with no room for bathroom breaks is not fun.
Media	Images of travel
Interaction	Image map with hot spot activity

Creative Travel: page6.html

Content	Develop your own collage or online "scrapbook". Reflection and sharing is part of travel. Don't forget that there are many resources that can help showcase your pictures or videos or even help make you "instafamous".
Media	Images of travel - flicker video
Interaction	Hyperlinks and embedded content using iFrame
